## **Sudip Bannerjee appointed L&T Infotech CEO**

**Mumbai, September 01,** L&T Infotech, a wholly owned subsidiary of technology, engineering and manufacturing leader Larsen & Toubro has appointed Mr. Sudip Banerjee as its Chief Executive Officer, effective September 1. Mr Banerjee is expected to drive the IT major's ambitious growth plans, add strategic depth to its wide-ranging offerings, and secure greater traction from its unique 'business-to-IT' connect.

Mr. Banerjee joins L&T Infotech from Wipro Technologies, where he was President - Enterprise Solutions, the largest business division of the company. Under his stewardship, the division had recorded impressive revenue growth and expanded its services portfolio across a number of industry verticals and horizontals. He had also led the acquisition of two overseas companies.

He started his career in the IT industry in 1979, and joined Wipro in 1983 as one of the earliest members of the IT group of the company. His track record saw him grow rapidly, assuming increasingly important management responsibilities covering functions like business development, operations, technology, infrastructure development and Human Resources before being appointed as President-Enterprise Solutions in January 2002.

Mr. Banerjee's proven leadership and management skills in global IT services business will help L&T Infotech advance rapidly in its mission of helping its clients get better value from their IT outlays.

**Mr. Banerjee will report to Mr. V. K. Magapu, Director, L&T Group, and will operate from Mumbai/Bangalore.**
