L&T Construction Wins Orders Valued ₹ 1099 Crores

Mumbai, June 1, 2015: The construction arm of L&T has won orders worth ₹ 1099 crores across various business segments in May 2015.

Power Transmission & Distribution Business:

The Business has bagged orders worth ₹ 517 crores in both the international and domestic markets including add ons.

In the domestic market, a rural electrification project under the Rajiv Gandhi Grameen Vidyutikaran Yojana (RGGVY) scheme has been bagged in Gorakhpur, Uttar Pradesh, from Purvanchal Vidyut Vitran Nigam Limited.

On the international front, this business has received an EPC (Engineering, Procurement & Construction) order from a private developer for two 132/11kV substations in the Middle East.

Buildings & Factories Business:

The Business has secured an order worth ₹ 300 crores. It is for the design and construction of an integrated foods manufacturing factory in Punjab, from a prestigious client. The scope of work includes civil and structural works, pre-engineered buildings, mechanical, electrical, and plumbing works of 8 Lakh Sq. ft. The project is scheduled to be completed in 16 months.

Water Smart World & Communication Business:

The Business has secured orders worth ₹ 282 crores including add ons. One of the orders has been received from a reputed developer for turnkey construction of water and waste water infrastructure facilities at an upcoming township at Durgapur, West Bengal. The infrastructure facilities include water supply and waste-water networks, waste-water treatment plant, storm-water systems and associated utility works.

Background:

Larsen & Toubro is a major Indian multinational engaged in technology, engineering, construction, manufacturing and financial services, with global operations. Its products and systems are marketed in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
