L&T - Most Attractive Employer In Infrastructure Industry: Randstad

L&T won a 'Special Recognition Award' for being the Most Attractive Employer in the infrastructure sector in India. The award was presented by the reputed HR services firm Randstad.

Mr. Yogi Sriram, Senior VP - Corporate HR, L&T, received the award on behalf of L&T from Mr. Paul van de Kerkhof, Chairman, Randstad India, and Mr. Moorthy K. Uppaluri, CEO, Randstad India & Sri Lanka, at a function held in New Delhi on April 16, 2014.

The award was based on the results of an extensive, nationwide survey conducted by Randstad this year of over 8,000 respondents in the age group 18 years to 65 years - covering employees and job seekers. Employers were evaluated across 17 key factors including employee benefits, salary structure and long term job security. Unlike other best employer awards, the Randstad award is regarded as the 'People's Choice' award.

The No.1 rating reflects the success of L&T's company-wide HR initiatives to induct, develop and motivate high calibre talent.
