L&T is India's Most Admired Company in E&C Sector - *Fortune India* Survey

L&T has emerged India's Most Admired Company in the engineering & construction sector in a countrywide survey conducted by the respected business magazine - *Fortune India*. The survey findings affirm the leadership position that the Company has achieved in the industry.

L&T is ranked 6th in the overall list, and is the only company in the E&C sector to have made it to Top 25 of the list. On the critical parameters of Financial Soundness and Global Business Footprint, L&T is ranked third.

The results of the survey have been published in the July 2013 issue of the magazine.

This is the second annual ranking of India's 'Most Admired Companies' by *Fortune India*. A total of 552 executives participated in the survey which was carried out between March and June 2013. In the second phase of the survey, which used peer-rating method, weighted average scores were calculated based on ranks and endorsements by senior executives. The evaluation criteria are based on ten key parameters that include corporate governance, financial soundness, leadership, talent management, performance and investment value, and global business footprint.
