L&T Rolls Out 9000th PC200-6 Hydraulic Excavator

L&T's Construction & Mining Equipment Business has crossed a new milestone with the roll out of the 9000th L&T-Komatsu PC200-6 hydraulic excavator.

At a function held at L&T-Komatsu's Bangalore Works on August 28, 2010, a symbolic key of the machine was formally handed over to Mr. Arun Karambelkar, Group Executive Vice-President (Procurement & Outsourcing), Hindustan Construction Co Ltd. (HCC), Mumbai.

To mark this special occasion, Mr. S. K. Mitra, Executive Vice-President, CMB Sector, handed over a plaque to Mr. Karambelkar in the presence of Mr. Arun Banavali, Assistant Vice-President (Sourcing & Supply Chain), HCC; Mr. U. B. Dangi, Assistant Vice-President (Equipment Procurement), HCC; Mr. Anuran Ghatak, General Manager (Equipment), HCC; Mr. K. Yamada, Managing Director, Komatsu India Private Ltd.; Mr. S.R. Subramanian, Chief Executive, and Mr. K. Yanagisawa, Dy. Chief Executive, L&T-Komatsu Limited; Mr. Arvind K. Garg, General Manager (CEB), L&T, and other personnel from L&T, LTK and KIPL.

The photograph at left shows Mr. S. K. Mitra handing over a plaque to Mr. Arun Karambelkar while Mr. S. R. Subramanian applauds.

Above: The 9000th PC200-6 hydraulic excavator.

PC200-6 is the largest selling hydraulic excavator in the country in the 20-tonne class, and is deployed in a number of applications at various job sites.
