L&T's Sustainability Reporting receives Asian honours

L&T's Sustainability Report 2008 and its disclosures, was ranked among the top 4 in the country by Asian Sustainability Rating (ASR). The study examined 20 leading companies in India. In the pan-Asia rankings, L&T ranked 17 among 200 companies across the continent. Other companies in India's top four are Tata Consultancy Services, Indian Tobacco Company and Infosys.

India

Rank in India	Rank in total ASR	Company	% 2009
1	3	Tata Consultancy Services Ltd.	90.2
2	7	ITC Ltd.	85.3
3	14	Infosys Technologies Ltd.	80.4
4	17	Larsen and Toubro Ltd.	79.4
5	24	Reliance Industries Ltd.	71.6
6	32	Oil and Natural Gas Corporation Ltd.	62.7

A company's sustainability disclosures are the litmus test of the Company's transparency, corporate governance, triple bottom line performance and its interaction with stakeholders. The ASR ranking affirms L&T's position as a company committed to corporate sustainability.

The ASR is an open-source benchmarking tool used by Asian companies, investors and other stakeholders. Launched in October this year, it covers the top 20 companies by market capitalisation in ten Asian markets.

Earlier, L&T's CSR report was also shortlisted as among the finest reports in a survey conducted by the leading television channel NDTV Profit.
