L&T bags FICCI Award for Outstanding Corporate Vision

In recognition of the outstanding contribution to the development of Indian industry and society, the Federation of Indian Chambers of Commerce & Industry (FICCI) has honoured L&T with its Annual Award 2007-08 for 'Outstanding Corporate Vision'.

L&T bagged the award in the category of the Corporate Triple Impact – Business Performance: Social & Environmental Action and Globalisation.

Mr. R. N. Mukhija, President (Electrical & Electronics), and Board Member, L&T, received the award from Mr. Pranab Mukherjee, Union Minister for External Affairs and Finance, at the inaugural session of FICCI's 81st Annual General Meeting in New Delhi on February 12, 2009.

A 30-second film highlighting L&T's business performance, its contribution to community service and its achievements in globalizing its operations was produced for the occasion.

FICCI was established in 1927 as a central organisation of industry, trade and commerce in India. Now it has a nationwide membership of over 1500 corporates and over 500 chambers of commerce and business associations.
