Mysore Campus bags GPEMA 2012

E&A's picturesque Mysore Campus was the proud recipient of Golden Peacock Environment Management Award (GPEMA) that felicitates organizations having attained significant achievements in the field of environment management.

Eco-friendly initiatives like zero water discharge, rain water harvesting, kitchen waste bio-gas plant, solar based LED lights etc. implemented by the Plant Engineering and EHS teams contributed to this laurel. Selection process involves a three stage scrutiny and evaluation by award committee and jury members.

Mr. Ravindra M Bhakta - GM, MPS (2nd from left) and Mr. Balasubramanyam A. - AGM, Plant Engineering (extreme right) receiving the award from Dr. Karan Singh, MP - Rajya Sabha & President, Indian Council for Cultural Relations in the presence of Lt Gen J.S. Ahluwalia, PVSM (retd), President, Institute of Directors, India (extreme left)
