L&T bags Rs. 20,000 million Bombay Dyeing Contracts for Projects in Mumbai

Mumbai, April 15, 2008: Larsen & Toubro Ltd's (L&T) Construction Division has recently secured a major order from Bombay Dyeing for Rs. 20,000 million (Rs. 2,000 crore) for developments at the textile mills and Spring Mills complexes at Worli and Wadala regions of Mumbai respectively.

The turnkey construction project involves construction of mixed-use developments of approximately 4.00 million Sq.ft at the textile mills at Worli and 5.00 million Sq.ft at the Spring Mills development at Wadala to be completed in the next 46 months by the end of December 2011.

Background:

L&T Group is a USD 7 billion technology, engineering and construction company, with global operations. It is one of the largest and most respected companies in India's private sector.

A strong, customer-focussed approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business over seven decades.
