# **L&T bags Transmission Line order worth Rs. 446 crore**

**Mumbai, July 7, 2008:** Larsen & Toubro Limited (L&T) has secured an order valued at Rs. 446 crore from M/s. JSW Power Transco Limited for evacuation of power from the 1,200 MW Power Project being set up by M/s. JSW Energy (Ratnagiri) Limited at Ratnagiri in Maharashtra.

The Jaigad – Karad and Jaigad – New Koyna 400 kV Transmission lines, totaling 169 km, will be executed by the Transmission Line Business Unit of ECC - L&T's Construction Division and the scope of work involves survey, supply of all components like transmission line tower members, conductors, insulators, hardware accessories and construction of the line across the two sections.

L&T has bagged this contract against stiff domestic competition and the project is to be completed in 18 months.

### **Background:**

L&T is a USD 7 billion technology, engineering and construction company with global operations. It is one of the largest and most respected companies in India's private sector.

A strong, customer-focussed approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business across seven decades. L&T has distinguished records of achievements including the world's largest coal gasifier made in India and exported to China, India's first indigenous hydrocracker reactor, oil and gas platform projects executed to global benchmarks and the world's largest Continuous Catalyst Regeneration reactor.
