

DESIGNED FOR YOU

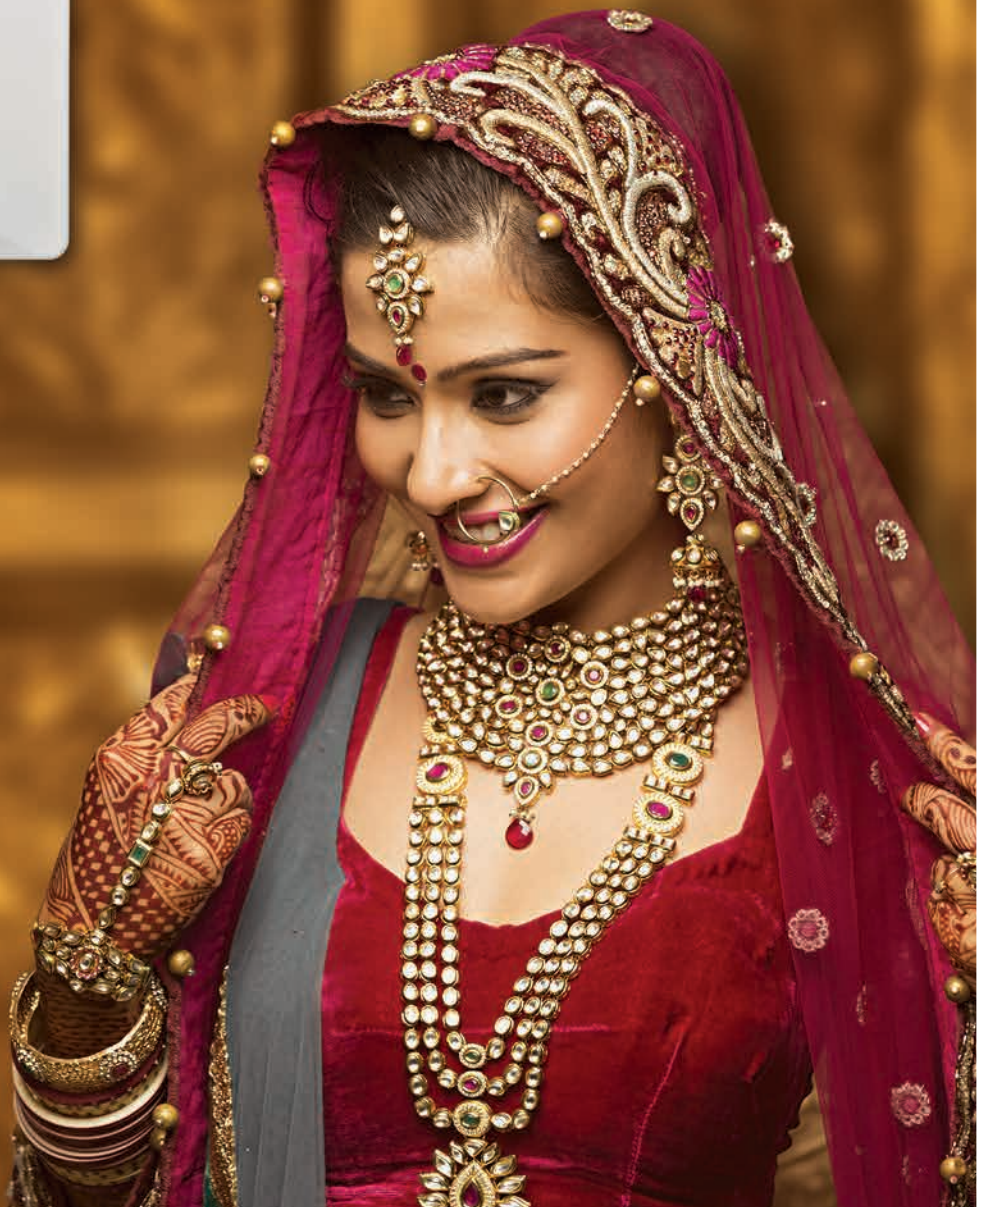

entice

Designed to Dazzle

Inspired by the beauty of India

Ethereal Beauty lies in the whole and soul of India. And we have woven the same kind of magic into entice. Its beautiful ribless design, cleverly contoured edges and the gorgeously glossy surface indeed adds to the beauty of your walls.

Designed to Delight

Inspired by a smart India

India loves multitasking, so we have integrated functionality with aesthetics. Entice switches come with a wide range of multimedia and data connectivity solutions. From communication sockets for HDMI, VGA, USB & RCA to a USB charging point, it is indeed the smart choice.

Designed to Protect

Inspired by the values of India

In India, our values guide us, and we have applied the same in the making of entice. Its fire retardant and shock proof feature, along with LED indicators and individual safety shutters ensure the safety of your loved ones.

Designed to Desire

Inspired by the joy of India

No celebration in India is complete without its colours. That's why we bring the simplest of joys through entice switches. Its zero dust collection and special mould allows it to be super easy to clean so that you can celebrate to the fullest.

Designed to Last

Inspired by the spirit of India

The true spirit of India lies within its lasting relationships and its deeply set roots. The same strength has been brought out in the entire switches. Designed by the best craftsmen and made from the finest materials, they are built for endurance and flexibility.
