L&T Construction Wins Order Valued ₹ 705 Crores

Mumbai, March 27, 2017: The Water & Effluent Treatment business segment of the construction arm of L&T has won an order worth ₹ 705 Crores. The project will be executed by L&T in a Joint Venture with Shriram EPC.

This engineering, procurement and construction order has been secured from the Ministry of Water and Irrigation of the United Republic of Tanzania for the extension of the water transmission pipeline from the Lake Victoria Water Supply scheme to Tabora, Nzega and Igunga Towns, Package II.

The scope of work involves survey, design, procurement, construction and installation of pumping systems, rising and gravity / main lines, elevated and ground level storage reservoirs, branch lines, distribution network and water kiosks to provide water to Tabora town and 33 other villages that are enroute.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with USD 16 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
