## L&T Construction Wins Orders Valued ₹ 2400 Crores

**Mumbai, Mar 29, 2017:** The Power Transmission & Distribution Business (PT&D) of L&T Construction has recently bagged major orders worth ₹ 2400 crores in the domestic and international markets.

In the Middle East and Africa, the PT&D has secured repeat orders from reputed customers to build 400 kV transmission lines and substations, 33 kV primary substations and related cabling on turnkey basis.

The business has also won prestigious orders to build transmission lines at voltage levels of 765 kV and 400 kV across different states of India.

### **Background:**

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with USD 16 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
