## L&T Construction Wins Orders Valued ₹ 1725 Crores

**Mumbai, Mar 30 2017:** The construction arm of L&T has recently won orders worth **₹1725 crores** across two of its business segments.

### Transportation Infrastructure Business:

The business has bagged orders worth **₹ 725 crores**

An engineering, procurement and construction order has been secured from the Ministry of Road Transport & Highways (MORTH) for 4 laning of the Wadpale to Bhogaon Khurd section of NH-17 in Maharashtra. The scope of work includes construction of 38.76 km of four lane dual carriage way with concrete pavement, 27.53 km of service / slip road, 2 major bridges, 9 minor bridges and 17 vehicular and cattle underpasses along with other associated works.

The business has also received additional orders from various ongoing projects.

### Heavy Civil Infrastructure Business:

The business has received engineering, procurement and construction orders worth **₹1000 crores** under L&T GeoStructure.

### Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with **USD 16 billion** in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades
