## ***RoSPA (Royal Society for the Safety & Prevention of Accidents) Award 2015***

L&T Hydrocarbon Engineering's Modular Fabrication Facility at Hazira, India received Gold Award for Occupational Health & Safety in the year 2015. The accolade is an affirmation of the high quality health & safety practices in place at the facility.

The RoSPA Health and Safety Awards offer organizations a unique platform to prove their commitment to raising health and safety standards.
