

L&T HYDROCARBON NEWS

SUSTAINABILITY 4.0 AWARD 2018 FOR L&T HYDROCARBON ENGINEERING

L&T Hydrocarbon Engineering was awarded "Challengers Award - Mega Large Business, Engineering Sector" by Frost & Sullivan and TERI Sustainability 4.0 Awards 2018." in June 2018, Mumbai

The certificate was awarded based on LTHEs Sustainability Performance, Internal process assessment & initiatives at both Corporate level & respective business unit Sustainability teams along with assurance through site assessment carried out at MFF Hazira.

Companies from all over India had participated in this award process, which aims to assist adoption of sustainable development practices in the organization and recognize the efforts of companies through a healthy benchmarking process. This award is a mark of motivation for LTHE's Sustainability journey towards a better and sustainable tomorrow.

LTHE Team sharing the award details with Mr. Subramanian Sarma, CEO & MD LTHE and Senior Leadership team
