L&T Construction Secures Orders Valued ₹ 2542 Cr

Mumbai, May 16, 2013: L&T Construction has won new orders valued over ₹ 2542 crores across various business segments in April and May 2013.

The **Building & Factories Business** has bagged new orders worth ₹ 1021 crores for the construction of residential towers, a cement plant and a factory at various locations across India, including additional orders from operating projects.

The **Heavy Civil Infrastructure Business** has secured new orders worth ₹ 866 crores for the Kochi Metro Rail Project. The scope of work includes construction of an elevated viaduct, elevated stations including architectural finishing work of stations and connecting the viaduct and ramp to the depot on Alwaye-Petta line of the project.

In the **Transportation Infrastructure Business**, a new order worth ₹ 315 crores has been received from Dedicated Freight Corridor Corporation of India Limited for the design and construction of 2x25 kV electrification, signaling, telecommunication and associated works for a double track railway line between New Karwandiya to Durgauti section of the eastern corridor.

The **Water & Renewable Energy Business** has secured EPC orders worth ₹ 148 crores from the Public Health Engineering Department, Rajasthan for a water supply distribution system for 97 villages at Tehsil Ladnu in Rajasthan.

Additional orders worth ₹ 192 crores have been received for one of the operating projects under **Power Transmission and Distribution Business**.
