L&T Wins D&B Corporate Award 2019 Affirms Outstanding Accomplishments in Key Industry Sector

L&T has won the prestigious Dun & Bradstreet (D&B) Corporate Award 2019 in the Construction - Infrastructure Development category.

The award was presented at D&B's annual awards ceremony in Mumbai on May 29, 2019. Dr. Krishnamurthy Subramanian, Chief Economic Advisor, Ministry of Finance, who was the Chief Guest at the event, congratulated the winners on their proven ability to respond rapidly to a changing environment. The awards ceremony was attended by a host of senior bureaucrats, corporate leaders and eminent personalities from India Inc.

The D&B Corporate Awards have been honoring outstanding performers among Indian Inc. since 2000.

The contest is elaborately structured. A team of D&B analysts identify financial parameters pertinent to each category for evaluating the performance of organizations. These parameters are fed into a proprietary financial model developed in-house by D&B. This is used to identify the top performers in each category. Winners are then chosen on the basis of a composite score which takes into account a number of quantitative factors.

D&B, established in 1981 and listed in the New York Stock Exchange, is the world's leading provider of business information.
