

L&T Community Health Centre, Coimbatore, an “Aarogya” Initiative of L&T Public Charitable Trust, has been conferred “Mayan Award 2018”. This is in recognition of the Centre's achievement in serving the underprivileged with best OPD services and for collaborating with the Govt. in the healthcare sector to reach out to the last mile. Instituted by Mayan Vista India Communications Inputs Pvt. Ltd., a publisher of bimonthly magazines on Construction Industry and Healthcare, this annual award honours truly dedicated veterans and institutions in recognition for mighty contributions, proficiency and skills.

Mr. R.K. Maheswaran, Head of our TLT Factory-Puducherry, received the award from Dr. Kiran Bedi, the Hon'ble Governor of Puducherry on 19/1/2019 at a glittering function held at Puducherry. Click <https://mayanawards.com/sixth-edition-2018> or <https://youtu.be/bZ4UqExloHU> to view more details.

The Centre has been offering OPD care services since February, 2012. Clinical Laboratory was added in October, 2015, to offer pathological tests at highly subsidized rates. Vision Centre, partnering with Aravind Eye Hospital started functioning at the Centre from August 2017 and Pradhan Mantri Bharatiya Jan Aushadhi Kendra, a Government of India initiative to ensure quality medicines at affordable price for all, from August 2018.

Opportunity is also taken to thank the general public and beneficiaries for nominating the Centre for this prestigious award.
