L&T METRO RAIL (HYDERABAD) LIMITED CONDUCTED A THREE-DAY AWARENESS PROGRAMME ON WOMEN SAFETY AND SECURITY

L&T Metro Rail (Hyderabad) Limited (L&TMRHL) is happy to announce that it has conducted a three-day awareness programme on **Women Safety and Security** in an innovative manner through flash mobs across Red Line (Corridor – 1) and Blue Line (Corridor – 3) covering around 20 high ridership stations. A similar awareness programme was also conducted across L&TMRHL office for all the employees. This programme was very well received by the passengers and staff. Hyderabad Metro Rail is committed to continue this programme till its impact reaches all levels of women employees across the organisation.

NSS volunteers from twin cities participated in the flash mob by choreographing a musical sequence highlighting the Women’s Safety Tips, Hawkeye Mobile App and initiatives of SHE teams & Hyderabad Police and also displayed and disseminated important telephone & whatsapp numbers. It covered issues like carrying pepper spray, avoiding secluded areas, SOS tab & emergency, eve teasing, sexual harassment of women at workplace and how to be alert and aware of one’s surroundings.

Mr. K V B. Reddy, MD & CEO, L&TMRHL stated, *“Safety and security come first in Hyderabad Metro Rail. It is imperative for all of us to ensure safety and security of women. L&TMRHL women members have attended the Margadarshak programme of Hyderabad Police, which helps women leaders in their empowerment to work for women safety for their organization and act as a bridge between law enforcement and their organization. Today we have L&TMRHL Margadarshaks as our torch bearers in this initiative. I appreciate the efforts of NSS volunteers for highlighting the measures required for women to be safe and secure in today’s world. I would like to specially thank and appreciate the efforts of SHE teams, Hyderabad Police and HMRL for women safety and security.”*
