

Sustainability Policy

L&T is committed to seek sustainable growth by integrating environment, social and governance (ESG) principles with its businesses.

Guiding Principles

Towards this, we will -

- Incorporate environment and social considerations in our business operations and strategies and build a culture of sustainability.
- Engage with stakeholders to develop sustainability strategies with short-term and long-term goals.
- Conserve and augment scarce resources and contribute towards a cleaner, greener and sustainable planet.
- Promote the development of green portfolio of businesses, thus contributing to low-carbon economy.
- Mitigate all risks to sustainability including climate risks in our area of operations and services.
- Follow the highest standards of governance and transparency in all business practices and in our engagement with various stakeholders.
- Provide safe and healthy workplace for all employees and workforce across all locations.
- Provide equal opportunities to all for development and growth based on merit and performance.
- Work with communities in targeted thrust areas, to improve their quality of life.
- Ensure that the reporting of our performance is in alignment with applicable national and international frameworks and principles including Sustainable Development Goals (SDGs).
