Apart from making it to the Top 250 CEOs' list, SNS has earned the enviable distinction of being one of two Indian CEOs to feature among the global Top 10 in the engineering and construction sector.

The twin honours are a recognition of L&T's drive to become one of the world's most sustainable and technology-oriented business conglomerates.

Headquartered in London, Brand Finance is the world's leading brand valuation consultancy. Every year, Brand Finance conducts more than 5,000 brand valuations, supported by original market research, and publishes nearly 100 reports which rank brands across all sectors and countries.

In its ranking exercise, Brand Finance evaluates three fundamental aspects: brand investment, brand equity and brand performance. It measures how strong, well-managed investment leads to changes in customer perceptions, which in turn lead to improved business performance and therefore shareholder value.
