

LARSEN & TOUBRO

**L&T Hydrocarbon Engineering is now L&T Energy -
Hydrocarbon post merger with Larsen & Toubro**

Pursuant to the Scheme of Amalgamation of L&T Hydrocarbon Engineering Limited (LTHE) with its parent, Larsen & Toubro Limited (L&T), approved by the statutory authority on 28th January 2022, Hydrocarbon business is now a division of L&T.

L&T's Hydrocarbon business is rebranded under its focused Energy portfolio.

L&T Energy
Hydrocarbon

L&T's Hydrocarbon business offers integrated "design-to-build" solutions for complex onshore and offshore hydrocarbon projects and has delivered several landmark projects across the value chain, both in domestic and international markets. It will continue to follow through its mission of Execution Par Excellence with focus on digital transformation.
