

# L&T Continues Stellar Performance in the Gulf

## ■ Ranked 2<sup>nd</sup> on *Oil & Gas Middle East's* Top EPC Contractors List

L&T has been ranked 2<sup>nd</sup> in the prestigious list of Top 25 EPC firms in the Middle East by *Oil & Gas Middle East*, the region's leading publication focused on the oil and gas industry.

*Oil & Gas Middle East* ranks top EPC contractors by assessing current and completed projects, project backlog, sustainability initiatives, and overall impact and future potential in the Middle East and financial statements while arriving at the leader board.

L&T has been progressively maintaining its leadership position on this coveted list over the past few years (#3 - 2017, #2 - 2018, #1 - 2019, #2 - 2020, #1 - 2021).

Through the L&T Energy - Hydrocarbon (LTEH), L&T has been serving the hydrocarbon sector for over three decades by providing integrated 'design to build' solutions. It has successfully delivered several large, complex, and challenging offshore and onshore hydrocarbon projects for domestic as well as international clients.

L&T is committed to localisation in the Middle East region and strengthening its presence by growing local skills and talent as well as enhancing its engagements with local vendors and subcontractors.
