FICCI Quality Awards Galore for L&T

The Quality Month celebrations end on a high note with three L&T businesses earning prestigious awards for Quality from India's apex industry association.

L&T Energy - Hydrocarbon (LTEH) and L&T Heavy Engineering (HE) have clinched Platinum awards for their construction and manufacturing businesses respectively at the 9th FICCI Quality Systems Excellence Awards for Industry. The Transportation Infrastructure's (TI) Railway Strategic Business Unit, on the other hand, have won a Gold Award for the Electrical & Mechanical Package-4 that it is implementing as part of the Dedicated Freight Corridor from Rewari (Haryana) to Makarpura (Gujarat).

FICCI bestows the awards on organisations which put in place high-performance and robust quality systems that help upgrade internal systems to become globally competitive.

LTEH's Construction Services and TI won the awards in the 'Large Scale Construction' category; HE clinched it in the 'Large Scale Manufacturing' category.

The awards were presented at a ceremony at FICCI House in New Delhi on 22 November by Dr VK Saraswat (Member - NITI Aayog) and Mr Shyam Bang (Chairman - FICCI Task Force on Manufacturing Excellence).

On LTEH's behalf, Mr DU Ramakrishnan (Head - Quality), Mr Girish Kumar Wadhwa (Resident Construction Manager - Dual Feed Cracker Unit, HPCL Rajasthan Refinery Ltd) and Mr BS Senthil Raja (Manager - Quality) received the award.

For HE, Mr Milan Raskapoorwala (Head - Reactor & Pressure Vessels Product Business Group), Mr V Chinnasamy (Head - Quality), Mr Sivakumar (DGM - Quality) and Mr Nehal Gandhi (Manager -Quality) received the award.

On TI's behalf, the award was received by Mr Sunil Khattar (Head - Metro Business Unit) and Mr Shiv Charan Gupta (Head - Engineering Development & Research Centre). ■
